------------------------	--------------------------	---	-----------------------	--

Since 2017, France has made gender equality a priority of its foreign policy. In 2016, a strategy on external action on population and SRHR for 2016-2020⁽¹⁾ was published, followed by the strategy for global health for 2017-2021.⁽²⁾ France co-founded the Muskoka Initiative and has created the Fonds Français Muskoka, as a follow-up, which is now funding up to 10 million EUR per year. In 2011, France co-founded the Ouagadougou Partnership, for FP services in west Africa. In 2018, the French government pledged 10 million EUR for the SheDecides movement. In 2016, France's commitments and disbursements in SRHR and FP dropped significantly, primarily reflecting the end of the Muskoka Initiative.
